Inspiring the Protection of Castle Rock and Portola Redwoods State Parks Through Quality Educational Experiences and Infrastructure Improvements

This year more than ever, Californians are looking to nature for solace as well as adventure. Portola Redwoods and Castle Rock State Parks have seen record visitation. This is an opportunity and a challenge.

The Portola and Castle Rock Foundation, in collaboration with the Department of Parks and Recreation and other partner organizations will be holding a celebration of Castle Rock and the Santa Cruz Mountains, as well as the past and future challenges of this beautiful area.
